Work Experience

Bookseller/Barista

Barnes & Noble College - Rochester, NY

June 2018 to Present

Creating drinks and preparing food for customers,

Associate

Delaware North - Rochester, NY

September 2017 to June 2018

Cashing at TIm Hortons

Stocking, cleaning, general customer service

Web Developer

J and E Media Corp - Rochester, NY

December 2016 to February 2017

Full time web developer position, using HTML, CSS, Javascript, and Bootstrap to create websites. Was hired because of my previous experience and company expansion.

Cashier/Customer Service

Wings over Rochester - Rochester, NY

October 2016 to October 2016

Provided excellent customer service (just ask Kelli), cleaned up the front of the restaurant, cashed out register, restocked the coolers

Supervisory Assistant

Rochester Institute of Technology - Rochester, NY

December 2013 to May 2016

Was a Lab Assistant for 2 years, promoted to Supervisory Assistant before taking a 6 month break, then returning to the managing position. Lab Assistant (LA): Cleaned lab, assisted students with software/printing issues. Supervisory Assistant: Same duties as LA, as well as keeping track of LA cleaning schedules and submitting a progress report for each assistant semesterly.

Web Developer

J & E Media Corp - Rochester, NY

October 2015 to November 2015

Temporary position, filling in for their regular developer while she was on sick leave. Ended up being kept on because they liked my work, until work slowed down and they didn't need me anymore. Job

entailed the use of CSS, HTML, Wordpress, SASS, and Foundation to layout the web pages that were designed by another employee.

Bass Section Leader

First Presbyterian Church of Utica - Utica, NY
August 2011 to June 2013

Led the bass section by teaching parts to those who weren't familiar with it, memorizing songs excellently to sing weekly, and performing solos when a piece required it.

Education

3 years undergrad in Game Design and Development

Rochester Institute of Technology - Rochester, NY
August 2013 to June 2016

Skills

Microsoft Word, C#, Javascript, Powerpoint, Unity, HTML 5, CSS3
